Welcome Letter

Dear Colleagues,

It gives us a great pleasure announcing The Libano-Live 2018 congress that will be held on August 31 - September 1 in collaboration with SAMA training center and the Lebanese Society of Gastroenterology.

Such a meeting is not only designed for endoscopists and gastroenterologists, but for physicians in training, nurses and GI assistants as well with mouthwatering live demonstrations opening the way for endless interchanges between the faculty and the participants during procedures.

The audio-visual transmission to the auditorium at Rest House-Tyr will be broadcasted from three endoscopic suites located at Secours Populaire Libanaise Hospital - Nabatieh and each procedure will be performed by national and international experts that have been selected for their outstanding teaching capabilities. Nevertheless, the meeting will be shedding a light on many State of The Art lectures covering the latest updates in Endotherapy, Hepatology, IBD, and Gastro-Oncology.

We look forward to meeting you in Libano-Live 2018.

Zaher Houmani, MD

Course Director.
