WELCOME LETTER

Dear Colleagues,

It gives me great pleasure to invite you all to participate in "Le 11^{ème} Congrès d'Oncologie Francophone", "The 8th Lebanese Gynecologic Oncologic Group Meeting" and "The 9th Hematology Course" which will be held on August 7-8, 2020 through Live Webinar sessions via Zoom platform .

Placed under the sign of sharing and continuity, we are celebrating together our 11-year anniversary... This unique conference aims to promote and share the latest updates in cancer treatment.

Designed as an exchange platform, with participants and speakers from USA, Europe, and the MENA region, it gives us the opportunity to share our experiences.

Our program is built on the active participation of the Lebanese Society of Urology and "L'Association Française d'Urologie" (AFU). This plurality warrants the quality and success of this event.

I am convinced that this program will be a valuable asset in your daily practice.

I would like to thank our major sponsors for their continuous support and contribution in order to ensure the success of this event.

Long live the 11th COF, and cheers to the 12th!

Prof Georges Chahine
President of the Congress

MOT DE BIENVENUE

Chers collègues,

J'ai le grand plaisir de vous inviter à participer au "11^{ème} Congrès d'Oncologie Francophone", " Le 8^{ème} Congrès du Groupe Gynécologique Oncologique Libanais" et "Le 9^{ème} Cours d' Hématologie" qui se tiendra le 7 et 8 août 2020 en tant que Webinaire via la plateforme Zoom.

Placé sous le signe de la continuité, nous célébrons ensemble nos 11 ans de parcours...Ce congrès a pour but de promouvoir les dernières mises à jour dans le traitement du cancer.

Se voulant une plateforme d'échanges et de partage, avec des participants venant des Etats Unis, d'Europe et du pourtour du bassin Méditerranéen, l'occasion nous est donnée de partager nos expériences.

Notre programme se base sur la collaboration active de la Société Libanaise d'Urologie et l'Association Française d'Urologie. Cette pluralité est une garantie de qualité et de succès.

Je suis convaincu que ce programme sera un atout utile à votre pratique quotidienne.

Je tiens à remercier nos principaux sponsors pour leur soutien et leur contribution permettant d'assurer le succès de l'événement.

Vive le 11^{ème} COF et à la santé du 12^{ème} !

Prof. Georges Chahine
