

The American University of Beirut, Faculty of Medicine,
in collaboration with the Naef K. Basile Cancer Institute
invite you to attend

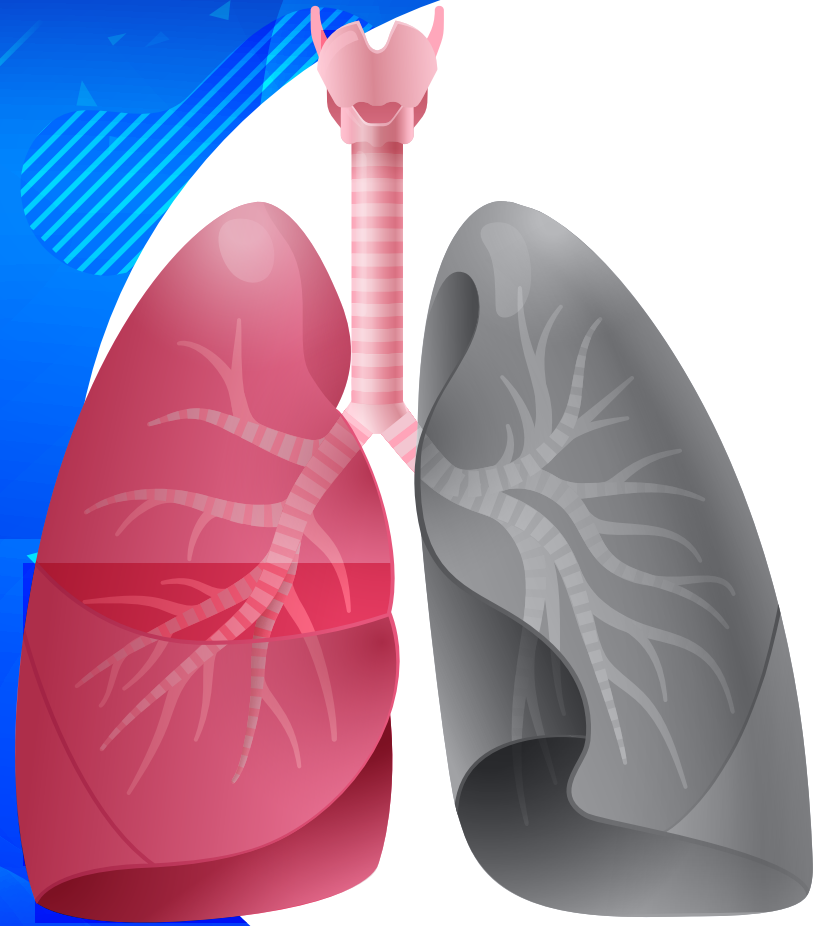

The 3rd Middle East Lung Cancer Congress: Progress Toward Cure

A virtual get-together between medical oncologists, radiation oncologists, surgeons, radiologists, pathologists, pulmonologists, residents/fellows, nurses, pharmacists and medical students to discuss recent advances in understanding the pathophysiology of lung cancer.

This platform will enhance multidisciplinary collaboration between various specialties involved in the care of lung cancer patients.

Date: June 18-19, 2021

Website: Lungcancercongress-me.com
