WELCOME LETTER

Dear Faculty Members and Dear Colleagues,

We are pleased as Faculty Members with the collaboration and support of the Cancer Research Group, the Hematology-Oncology Department, Faculty of Medicine - Saint-Joseph University, the Arab Medical Association Against Cancer, and the Africa Middle East Cancer Intergroup to organize our attendance and continuous medical education experience of this 2022 ESMO Meeting.

The ESMO 2022 will be held in both physical and virtual formats in Paris, giving the occasion to experts from all over the world to meet and explore opportunities to advance in their careers.

The ESMO Together 2022 will be held virtually on Thursday the 15th of September, 2022, targeting Hemato-Oncology colleagues in Lebanon and the Arab World, as well as the younger generation of hematologist oncologists. The main target is to discuss with local and regional experts and fellows the latest updates of the ESMO 2022.

We would like to thank the CME office - Faculty of Medicine - Saint-Joseph University and the AMAAC for granting this event's continuous medical education evaluation.

"Together," we will continue throughout our mission of getting the best of education to provide the best treatment to our patients.

MARWAN GHOSN, MD, MHHM

Professor Hematology Oncology - ESMO Together Chairman

ESMO Together 2022

OBJECTIVES

The aim of the ESMO Together is to provide scientific and educational objectives for both Faculty and the attendees of the Webinar, to increase medical awareness, and to update Oncologists and institutional healthcare affiliates with the new clinical data raised during the ESMO 2022, onsite and virtual meeting.

At the discretion of the Faculty members, the data reviewed will include: Breast Cancers (localized, metastatic), Gastrointestinal Cancers (upper GI, Colo- Rectal), Lung Cancers, Genitourinary Cancers (Kidney, Urothelial, and Prostate), Thoracic Cancers (localized, metastatic), and other Solid Tumors (Sarcoma, Melanoma, Brain Tumors); as well as Malignant Hematology (Acute Leukemia, Chronic Leukemia, Myelodysplastic Syndromes and Lymphomas).

General Objective also includes a stimulation for a continuous medical education and update information on a rapid growing and evolving cancer research field better provided through a group, and covering the annual ESMO Meeting.

FACULTY

CHAIRMAN

Prof. Marwan Ghosn, MD, MHHM

Professor - Hematology Oncology Department - Faculty of Medicine
Saint-Joseph University in Beirut, Lebanon
