Al Zahraa Minimal Invasive Urology Day

FEBRUARY 25, 2023

Al-Zahraa Hospital, University Medical Center, Beirut, Lebanon

WELCOME LETTER

My Dear Friends and Colleagues,

As each year, I am happy to invite you to the “**Al-Zahraa Minimal Invasive Urology Day**”, which will be held on February 25, 2023 at the Al Zahraa Hospital, University Medical Center.

Despite unprecedented economic, financial and political difficulties, our commitment to uphold our profession, the pursuit of knowledge and continuing medical education is unwavering. Accordingly, we have managed to put together an exciting scientific program

that addresses important and emerging topics and controversies in Urology. The topics include BPH Treatment, Stone and Prostate Cancer.

Your valuable clinical and scientific contribution will be essential for the success of the meeting.
