July 31, 2021 | Hybrid & Zoom Platform

In Collaboration with:
The Lebanese Order of Physicians in Tripoli
The Lebanese University
& The Lebanese Urology Society

4.5 CME CREDITS

THE FIRST NINI HOSPITAL UROLOGY DAY

WELCOME LETTER

Dear Colleagues and Friends,

On behalf of Al Nini Hospital, it is our pleasure to invite you to the First Nini Hospital Urology Day held on July 31, 2021, at the Hospital and Live Webinar Sessions via Zoom Platform.

The objective of this unique conference is to explore new horizons in Urology and Oncology fields. The program will include presentations given by several international and national experts in the field.

We are more than confident that this scientific gathering will serve as an excellent networking platform with our colleagues to exchange professional experiences and insights with one another and explore possible forms of international collaborations in research and education.

Despite all the challenges we are facing in our beloved Country, Lebanon, from the current pandemic of COVID-19 and economic crisis, we are aware of the importance of this humanistic dimension. We respect our commitment to improving the quality of Urology and Oncology Patient Care and treatment; we insisted on keeping this meeting to allow our colleagues to discuss the state-of-the-art procedures in the management of the most frequent types of cases in a multidisciplinary approach.

In closing, I would like present my deepest gratitude to the the Lebanese Order of Physicians in Tripoli, the Faculty of Medical Sciences at the Lebanese University, and the Lebanese Urology Society for collaborating and supporting this congress.

We are looking forward to meeting you all!

Sincerely,

Khalil Armache, MD MBA FEBU
Head of Urology Department at Nini Hospital
Chairman of the congress
