

# 3<sup>rd</sup> MIDDLE EAST MASTER CLASS IN HEMATOLOGY

9.5

JANUARY 2026  
9-10

  
RAFFLES HOTEL  
DUBAI - UAE

# WELCOME LETTER

Dear Colleagues and Friends,

It is with great enthusiasm that we invite you to the **3<sup>rd</sup> edition of the Middle East Master Class in Hematology (MEMAC)**, held in proud collaboration with the **International Academy for Clinical Hematology (IACH)**. Mark your calendars for **January 9-10, 2026**, and join us at the elegant **Raffles Hotel in Dubai, UAE**.

Hematology remains one of the most rapidly advancing specialties in medicine, driven by breakthroughs in our understanding of disease biology and the rise of innovative therapies, from precision medicine to cutting-edge immunotherapies. In such a fast-paced landscape, coming together to share knowledge and experiences is not just valuable: it is essential.

That is exactly why MEMAC was created: to be a **dedicated platform for hematologists across the region** to explore the latest evidence-based practices in the management of leukemia, lymphoma, multiple myeloma, and more.

Now entering its third year, MEMAC continues to grow in both reach and relevance, offering **rich educational content, expert-led discussions**, and **practical insights** that directly enhance patient care.

We can't wait to welcome you to what promises to be another memorable and impactful gathering in the heart of Dubai, a city known for its energy, hospitality, and innovation.

For updates and further information, please visit [www.memachematology.com](http://www.memachematology.com)

**See you at MEMAC 2026!**

## EBAH-CME CREDIT POINTS

The program of the 3<sup>rd</sup> **Middle East Master Class in Hematology (MEMAC) 2026** - from **January 9<sup>th</sup> to 10<sup>th</sup>, 2026**, at **the Raffles Hotel in Dubai, UAE**. has been reviewed and approved for CME accreditation by the European Board of Accreditation in Hematology (EBAH) CME Unit. The EBAH-CME Unit has approved this educational activity for a maximum number of CME credits. Each physician should only claim credits for time that they actually spent in the educational activity. We are pleased to inform you that the 2026 MEMAC has been awarded:

### **9.5 EBAH-CME Credit Points**

Following the MEMAC Conference, all registered participants will receive a Learner's Questionnaire (LQ). Completion of the LQ is mandatory for CME accreditation. Upon completion, participants will be validated by IACH through the EBAH system and CME credits will be awarded accordingly.
