Welcome Letter

Dear Friends & Colleagues,

On behalf of the **Emirates Orthodontic Society and the Conference Organizing Committee**, it is our great pleasure to announce **the 2nd Annual Emirates Orthodontic Society Congress (EOSC)**, taking place on **October 30–31, 2026, at Jumeirah Emirates Towers, Dubai, UAE**. The congress will be preceded by a pre-congress course on October 29, followed by a post-congress workshop day on November 1, 2026.

Building on the remarkable success of our inaugural congress, which brought together leading experts and enthusiastic participants from across the region, the second edition promises to be even bigger and more impactful. This year's congress will feature an expanded scientific program, a distinguished lineup of international speakers, and enhanced opportunities for learning, collaboration, and professional exchange.

This CME-accredited event will include a comprehensive program of lectures, clinical case presentations, interactive discussions, and hands-on workshops, offering valuable insights into the latest advancements and best practices in orthodontics.

We warmly invite orthodontists and dental professionals to join us for this exceptional opportunity to learn, connect, and share knowledge with colleagues and leading experts in the field. We look forward to welcoming you to Dubai for what promises to be a truly rewarding and memorable congress.

Best regards,

Dr. Mohammed Mahmoud Al Shalabi
